WILDCAT 1961

Foreword

We, as Seniors, have come to the crowning point of our school years. In this, the 1961 WILDCAT, we shall endeavor to review the events of these wonderful years. The activities of our Senior year including rushing to classes and club meetings, awaiting the arrival of our class rings, our Senior trip, the Homecoming Game, and the anticipation of our graduation are all pieces in the picture puzzle of our school years. Just as a puzzle is not complete without all of its pieces, each phase of our school life is important to the success of learning and maturing.

Neath Bailey's lofty mountain,
Underneath the Southern blue,
Stands our dear old High School,
Noble, grand, and true.
Hail to thee our Alma Mater,
Hail to red and white,
Loyalty to thee we pledge
Dear old Mars Hill High.

The editing, compiling, and publishing a record of the year's events in pictures and words is an exacting and interesting task, as well as one requiring much preparation and forethought. We, the 1961 WILDCAT staff, under the guidance of Mrs. Eileen Wood, have enjoyed preparing the WILDCAT for you, the students of Mars Hill High.

The Bailey Echoes' staff provides accurate information of school life. The reporters on the paper staff have done a remarkable job in sorting the news, omitting the unimportant and printing the important. Work on the newspaper gives these students valuable experience in journalism.

This democratic organization works to promote harmony in our campus life. Finding that students have more respect for rules they have helped to make, the Student Council makes suggestions as to the betterment of relations among students themselves and between students and teachers. This gives its members first-hand experience in learning more about America's democratic character.

Team Of Week

Mars Hill, Pisgah Champs, Honored

By WALT RIDDLE
Times Sports Writer

"After watching our first practice session this fall I said to myself, we will be lucky to win three games."

These were the words of coach Clyde Peek of Mars Hill this morning after he learned that his football team had been honored for the second time this year as Team of The Week.

Friday night the Wildcats won the Pisgah Conference championship by downing Marshall, 26-6. It was the first time in 19 years that Mars Hill had won the loop title.

"After Friday's game I had to stop and pinch myself to make sure I wasn't dreaming" said Peek, who is in his eighth year at Mars Hill. "Everyone let me know that it was true. It was a real surprise to the coaching staff and to the school that we won."

Overall the Wildcats won seven and lost two. In the conference they had a 7-0 record and only 6 points were scored on them.

A 21-13 loss to East Yancey and on until they found themselves a 13-6 defeat to Bakersville marred their record.

Peek said that "the boys love to play football and that was the main reason for our winning the championship. When you have only three of your starters returning it is pretty hard to be a contender. It is a great credit to the coaches and all the coaches should go to bat for them for winning."

The head mentor said there was no individual star on the squad. He called it a "team effort."

The Wildcats line averaged only 160 pounds and for eight of its nine games were outweighed by as much as 15 to 20 pounds per man.

The backfield averages 145 pounds with Halfback Ricky Brady the heaviest at 160 and Willard Edwards the smallest at 135.

Peek has praise for his two linebackers Don Radford and Sid Johnson, for their steady play all season. "They led our green boys in

A light pre-game rain failed to stop Bakersville's air-minded eleven on its march to its first touchdown. Halfback Robert Jay set up the score on a 19-yard pass play which carried to the three-yard stripe.

Pittman cracked over his own left tackle for the tally.

Bakersville's second touchdown came also on a line plunge by Pittman after a march of 65 yards.

Mars Hill broke into the scoring column in the final period when Benny Roberts took a 20-yard flip from Woody Ammons and went over standing up.

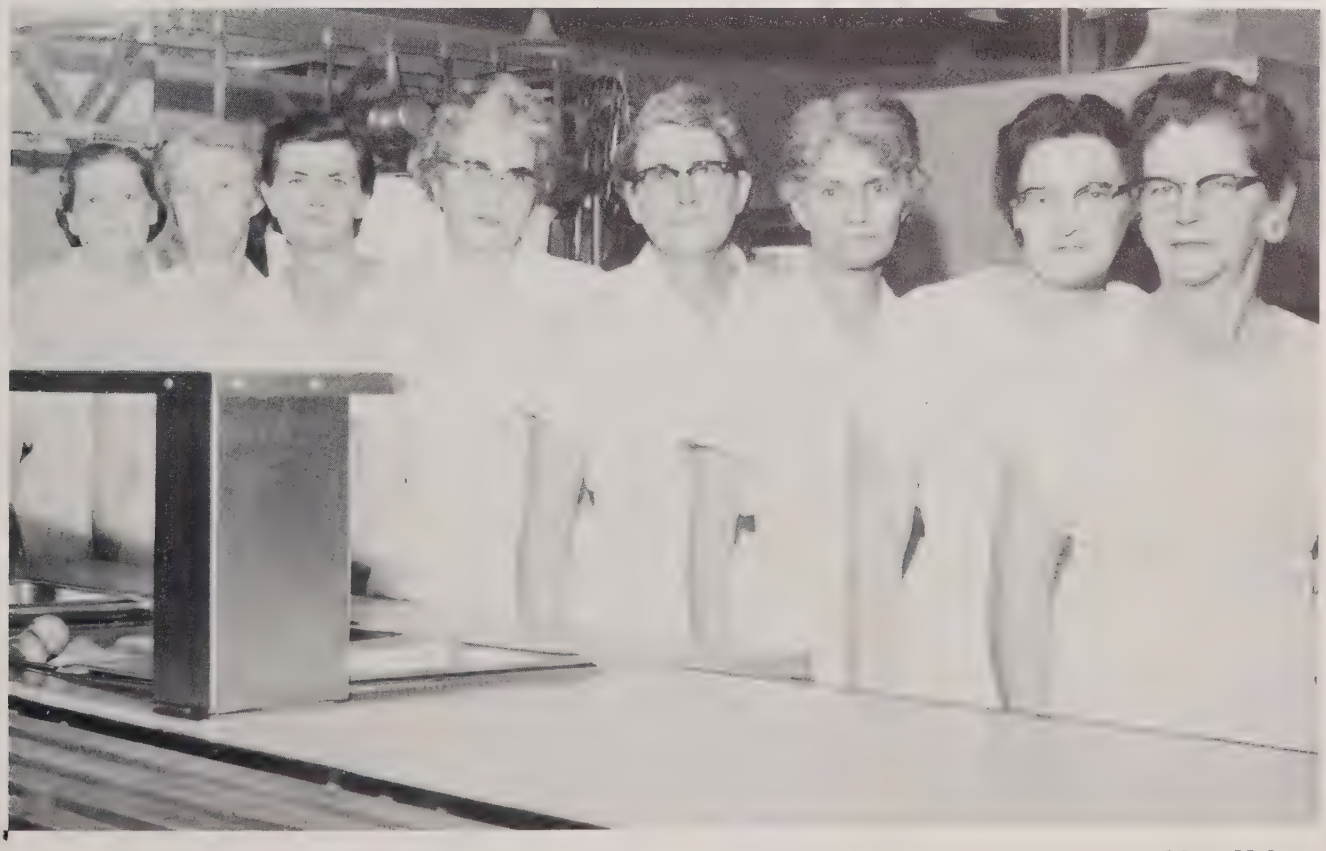
Our hard-working janitors are always on the job whenever there is something to be done. They always keep our buildings warm and cheerful. We owe much appreciation to these men who so faithfully serve us.

Cafeteria Staff

•The good smells that come from the cafeteria in the morning tell us that another tasty meal is being prepared. All of us look forward to getting out for lunch and hurrying down to the cafeteria to go through the lunch line. The cafeteria staff is to be praised for a job well done.



Left to right: Maymee Drake, Pauline Ramsey, Vivian Hamlin, Geneva Ramsey, Ella McLaughlin, Velma Worley, Beulah Merrill, Grace Norton.
